Comments:

(1) OK- The mastery objective does not require revisions.

NOT OK- The mastery objective requires revisions

(3) √ = The conditions are not present

(5) √ = The observable, measurable student response is not present

(7) √ = The mastery level is not present

(2) √ = The mastery objective does not align with the selected reading/mathematics objective.

(4) √ = The conditons are not clear.

(6) √ = The observable, measurable student reons is not clear

(8) √ = The mastery objective level is not clear (#) of trials or items ≠ 80 - 1=%
